

Z WINE

2008 SHIRAZ

The Zerk vineyard situated in Lyndoch in the Barossa Valley is steeped in family history. This wine captures the essence of the vineyard and five generations of pioneering hard work (160 years ago until now).

The grape pickers and pruners have shared many stories of the area within these vines. If the soils could talk they would be saying rich plum, bursting bramble fruit, wild violet notes and velvet mocha with an elegant finish of earthy savouriness.

The Shiraz fruit was picked at 13.5 baume and the resultant wine will undoubtedly cellar for many years to come.

We recommend this elegant yet rich Shiraz to be enjoyed with aged vintage cheeses or an eye fillet with a red wine reduction. Decanting 3-6 hours (or more) before drinking to reap your reward!
