2012 RIESLING

This Eden Valley Riesling is fresh and lively displaying hints of lychee and spring blossom floral notes on the nose.

This perfumed character follows through to the palate and delivers a burst of citrus with intense flavours of lemon and zesty lime.

The refreshing palate finishes clean and crisp with great balanced acidity displaying characters which are renowned from this famous Riesling growing area.

This wine is drinking beautifully now, but will age elegantly into a creamy and complex wine for many years to come. We recommend serving this Riesling chilled with fresh oysters, chilli prawn skewers or cured atlantic salmon.
