## 2015 CABERNET SAUVIGNON

**VINTAGE** | An early vintage coupled with great ripening conditions resulted in generous wines from the Barossa Valley in 2015. Cabernet performed exceptionally well delivering excellent varietal characters and providing strong structural tannins. Ripe fruit flavour and good weighted wines helped us shape a classic and popular Barossa style.

**WINEMAKING** | Small open fermenters enable ideal colour, flavour and tannin extraction from the skins - achieved by pumping over approximately two times over a 24 hour period in the peak of fermentation. Our aim was to produce an elegant Cabernet Sauvignon with some texture and chewy tannins and to preserve the floral spectrum of violets that is so appealing.

On completion of the fermentation the batches are pressed gently from their skins and maturation of the wine is then carried out in a selection of French and American oak barrels, for a period of 12months. These barrels are chosen to compliment and nurture the fruit and floral flavors of the wine rather than overpower it. The final blend is an exemplary example of a lifted, fruit filled Barossa Valley Cabernet Sauvignon suitable for drinking while youthful (or cellaring if desired).

**COLOUR** | Deep ruby with indigo/purple hues and intense depth

**NOSE** | Alluring aromas of blackcurrant and wild berry are complimented with hints of subtle star anise and violet florals.

**PALATE** | The palate is vibrant and full bodied with elegant flavors of dark plum and cassis which is supported by an elegant structure. Some textured oak tannins typical of Cabernet Sauvignon enhance the mouthfeel and finish of the wine. The red currant and cedar aftertaste is warm and lingering - a perfect accompaniment to rich food including Moroccan lamb on the bbq.

**ANALYSIS** | Alcohol - 14.5%

**CELLARING** | This is a wine that is designed to be perfumed and fruit driven - making it ideal to consume while young. Some cellaring may suit your taste and will produce a more cherry, savoury, herbal wine with time.
